

To Whom It May Concern:

I am writing to you on behalf of the Hart of Autism, Inc., a local 501(c)(3) nonprofit organization. At the Hart of Autism, we support educators and family members while the children receive therapy. We also strive to promote awareness of autism in our community. We are able to continue the wonderful work solely through donations and fundraisers.

On **May 10th 2025**, the Hart of Autism will be hosting a fundraiser, *“Straight from the Hart”*, at the Floral Hall at The Hart County Fairgrounds in Munfordville, Kentucky. The Hart of Autism will be inviting local and national businesses and families to participate in this exciting event. We are planning an evening filled with a delicious dinner and a silent and live auction. By donating an item for our auction, providing a baked item, donating your talent, or a monetary donation, your contribution would help make *“Straight from the Hart”* a great success.

In 2024, Hart of Autism sponsored several activities in addition to the monthly support group meetings, which your contribution helped to make possible. Some of these activities are listed below:

- Individual Education Program (IEP) Guest Speaker & Training
- Autism Awareness Week in Hart County Schools
- Back to School Bash Pool Party
- Day at the Bowling Green Ballpark featuring Bowling Green Hot Rods
- Friendsgiving with families of Hart of Autism
- Easter Egg Hunt - partnered with Hart County Cheerleaders
- 4-day Summer Camp “Adventures within and Out & About” hosted by Hart of Autism
- Sponsored The Center for Courageous Kids’ autism family retreat weekend

In return for your generosity, The Hart of Autism will print the names of each contributing business in the Hart County News-Herald and a video presented during the event.

Thank you for taking the time to read this letter about the Hart of Autism. We hope you consider making a donation. Please feel free to contact me. My contact information is listed below.
